

NHS Scotland - Primary Care Rebate Schemes Register

The register contains a list of all current primary care rebate schemes (PCRS) outside of the Patient Access Scheme arrangements as of 23/09/2024

Primary care rebates are also a standard feature of NHS Scotland Patient Access Schemes which are agreed at the point of product market entry, regardless of whether the medicine will in practice be supplied in primary care. A list of medicines with Patient Access Schemes can be found on the Scottish Medicines Consortium website: <https://www.scottishmedicines.org.uk/medicines-advice/>
